## Mobile Food Unit Application for Parking on City Property

---

If you are a licensed mobile food unit (MFU) with East Moline and plan to park on City property, you must submit a written request to park on said City (public) property no less than 10 days prior to the date. Written permission, if approved, will then be emailed to the owner of the mobile food unit. Failure to submit a request may result in the loss of your mobile food unit license.

In order to receive permission to park on City property, you must submit proof of insurance. Commercial liability and automotive liability insurance of not less than \$1 million, with the City of East Moline listed as a certificate holder, must be provided to the City at least 10 days prior to the date.

MFU shall comply with City ordinance Title 7, Chapter 2.

If you have any questions, please contact Lindsay Gorishek at [lgorishek@eastmoline.com](mailto:lgorishek@eastmoline.com) or 309-752-1510

**Please submit the information below and attach a copy of your current MFU license and proof of insurance:**
